INVITATION FOR CAMPUS PLACEMENT PROGRAM

It is indeed with great pleasure we cordially invite your esteemed organization to participate in our campus placement program to consider students post graduating in December 2019.

We are keen to conduct placement drive in November /December 2019 for our final year students.

Current batch is comprised of 31 students with 8:23 Male/Female ratio. Geographically they come from all over the India mostly from Maharashtra. Other states include Goa, UP, Rajasthan, Gujarath, Tamilnadu and Meghalaya.

Dr M.L. Dhawale Memorial Homoeopathic Institute is established in 2002 to propagate standardised Homoeopathy in a formal education. Hahnemannian teachings were transited by Dr M. L. Dhawale in to an education and training methodology. Uniqueness of the institute is "LEARNING THROUGH ACTIONS' i.e., ACTION LEARNING. MLDMHI Post graduate training programme works while students are being on campus. PG Students are posted through following departments for their wholesome development in knowledge- skills-attitude:

Area	Knowledge	Skill	Attitude
Clinical	Clinical assessment to diagnose and prognosticate the stage of various disorders.	Clinical interview, record keeping, diagnostic formulation, bedside examination, homoeopathic prescribing and patient management.	Developing the investigative attitude in sizing up the clinical entity. To develop fidelity in tracing the disease. Priority in patient care.
Academic	Acquiring clinical, philosophical, materia medica and repertorial knowledges through various academic departmental sessions. Importance of	Integrating various knowledge through problem solving case based methodology	Developing competitive attitude by subjecting to various competitive presentations.

	integrated way of various subjects to be applied at bedside.		
Community	Acquiring knowledge of various communities (rural, urban, tribal) in the area to understand their culture and it's implications on development and maintenance of illness	Acquiring Interogative skills while formulating the problem Integration of these knowledges in designing their solutions.	Empathetic attitude towards needy & poor people. Developing the attitude of service to mankind and in turn to community and nation
Research	Acquiring knowledge of research methodology in medicine and Homoeopathy	Oriented to demands of designing and execution of scientific studies	Acquiring a research aptitude for continuous learning and growth of the system.
Cultural		Inculcating the leadership qualities while managing various events on campus	Enriching the creative qualities

We are confident at MLDMHI, you would find candidates meeting your requirements in practically every field of interest to your organization. It will be our pleasure to assist you in your recruitment efforts and further build upon past relations and opening new opportunities of working together.

Assistance during campus interview :

We will be pleased to coordinate your campus visit with following assistance-

- Display of Company's publicity material at proper notice board
- Announcing the job opening mail
