PROSPECTUS

2023-2024

M.D. (Hom.)

1. Homoeopathic Philosophy (6 Seats)
2. Homoeopathic Materia Medica (Available 6 Seats)
3. Repertory (6 Seats)
4. Practice of Medicine (6 Seats)
5. Paediatrics (6 Seats)
6. Psychiatry (6 Seats)

OUR FOUNDER

Dr. M. L. Dhawale (1927-87), Founder of the Institute of Clinical Research, was a rare phenomenon-a dedicated professional with a vast breadth and depth of knowledge, permeated by a deep humanism and concern for the underprivileged members of society. No patient was ever turned away from his chambers because of his poor financial standing. He was an author of a number of seminal books on Homoeopathic Education and Research and thus achieved international eminence.

He succeeded in a challenge that had been unsolved for close to two centuries-the challenge of '**Standardization of Individualization**'. Thus it became possible for a group of trained Homoeopathic professionals to think on similar lines and come to a common clinical conclusion eliminating the vagaries of individual idiosyncrasies. The key element in the training was the Standardized Case Record. The key concept was that of the **Unprejudiced Observer**, defined by him as one who is aware of his own prejudices and hence can exercise the choice of working through them. Only such a thoroughly trained professional is able to correctly practice Scientific, Standardized Homoeopathy. Through a series of educational experiments, he demonstrated the concept as well as the technique of training of the Unprejudiced Observer in clinical practice. He utilized **Small group discussion** as a method to reach out simultaneously to a number of learners and evolved special techniques of case presentation and evaluation. The message that he tried to pass on was that of a gradual unfolding of the process of Care of the patient, Care of a learner, Care of the process of acquiring and disseminating knowledge. In short, it was a way of life! This constituted the system of **Tri-coordinate care**.

He left behind him his students and colleagues who decided to perpetuate his memory through the work of the Trust and an Educational Institute in his name.

The Organization works with the following **MISSION**, vision and values and strives to ensure that all learners imbibe the values which enable adoption of this mission in their lives-

Building and nurturing a team of missionary homoeopathic health care providers, academicians and researchers through the use of modern educational technology who will contribute meaningfully to mainstream homoeopathic science and deliver holistic health to people in all corners of our country remaining lifelong learners.

#

The **VISION** of MLDMHI is to develop as

- An International Homoeopathic Knowledge hub, imparting standardized education based on sound homoeopathic and educational principles to create value based, quality-conscious physicians competent in caring holistically for individuals as well as urban, rural and tribal communities;#
- A State of the Art homoeopathic training centre serving as a role model for training effective teachers to work in integrated, cross-disciplinary teams to create a caring, conducive educational environment, technology driven with an enabling work culture disseminating its innovative work through broad platforms reaching worldwide;
- A Centre of Excellence for the delivery of Integrated Holistic Medical Care across the broad socio-economic spectrum incorporating the best of AYUSH disciplines as well as Modern Medicine with an aim to mainstream Homoeopathy to acquire its rightful place in the healing system worldwide.
- A Benchmark Homoeopathic Research Institute known for sound, evidence based research in the areas of improving care in the clinics, community, education and training and fundamental knowledge relevant to all aspects of Homoeopathic Care and Education
- A Centre for Health Management and Quality Systems to develop skills in the areas of managing Homoeopathic institutions of Clinical care, Academics, Community outreach programmes and Research to explore areas of cost effectiveness, sustainability and quality health care.

The following **VALUES** are central to the realization of the Vision

- Spirit of Service
- Integrity
- Transparency
- Commitment, Discipline and Hard Work
- Passion for Excellence
- Endurance and Resilience
- Customer friendly
- Techno-savvy
- Team work
- Innovative
- Life-long learning

The Ministry of AYUSH, Govt of India, has recognized the four Departments of Neuropsychiatry, Pulmonology, Research and Medical Informatics of Rural Homoeopathic Hospital as Centres of Excellence in Homoeopathy since 2008.

The Dr. M. L. Dhawale Memorial Trust's Hospital is accredited by the National Accreditation Board of Hospitals, New Delhi (NABH) for its homoeopathic and allopathic services.

- 9) Dr. Nikita Budhani – Medical Officer
- 10) Dr. Mohammad Sayyed – Visiting Medical officer
- 11) Dr. Sunita Nikumbh – Visiting Consultant
- 12) Dr. Vivek Kadam – Visiting Consultant

TRAINING

1. The programme derives its unique nature from the close integration of the Principles and Practice of Homoeopathy.
2. The Training will be based on the Homoeopathy (Post graduate Degree Course) M.D. (Hom.) 1989, revised upto 2016 and Amendment Regulation issued by the erstwhile Central Council of Homoeopathy and the Syllabus adopted by the Maharashtra University of Health Sciences, Nashik.
3. Clinical exposure will be arranged at the various OPD and IPD setups of the Dr. M. L. Dhawale Memorial Organizations in Mumbai (Urban), Palghar (Rural), Bhopoli (Tribal), Malad Hospital and Mobile Homoeopathic Dispensary where the learner will be guided and supervised in the *Science & Art of Case Taking, Recording & Processing on the Standardized Case Record*.
4. Guided discussion sessions/expositions/seminars where *sensitivity training, training in the use of language & logic, communication skills* and *application of clinical experience* would remain the focus, the emphasis being on acquiring mastery over the SCR© system.
5. All rules prescribed by the National Commission of Homoeopathy and the Maharashtra University of Health Sciences, Nashik with respect to the Dissertation project-based study will be strictly adhered to.
6. Postgraduate teaching differs fundamentally from that at the undergraduate level in that the initiative for learning predominantly rests on the Postgraduate student. It would be the

aim of the Faculty to create suitable circumstances where teaching-learning can occur. It is not the norm to 'cover' the syllabus.

7. Participation in the 3-day Symposia in Mumbai, Vadodara and Pune and in the public functions where clinical experiences on a pre-designed format are presented and discussed is compulsory. Prior working out of the cases is a prerequisite at these educational programs.
8. *Periodic and final evaluation* is a distinctive feature of the program.
9. *One-year housemanship* is compulsory. Students will have to complete their 2-year residency programme on the campus of the Institute. In the case of deserving candidates, avenues of clinical promotions through the residency programme of the Institute will be made available.

FUTURE PROSPECTS

1. Posts of Medical Officers in different specialties are advertised at the end of the MD (Hom) Course each year.
2. Interested candidates may also join the PhD programme of the Institute. The Institute currently has seats in the subjects of
 - Homoeopathic Materia Medica,
 - Repertory,
 - Homoeopathic Philosophy,
 - Practice of Medicine,
 - Paediatrics
 - Psychiatryadmissions are as per the norms of the MUHS, Nashik.
3. Postgraduates from the Institute are favoured for appointment as teaching staff in Colleges all over the country.
4. Postgraduates of the Institute generally do well in their private consulting practices since the training equips them for treating all types of patients in the urban, rural and semi-rural areas.
5. Postgraduates from the Institute are favoured in Multispecialty and Corporate clinical set ups.

Admission in Institutional/Management Quota for 2023-24

Total 5 seats are available. Seat Matrix list will be displayed by State Government during the admission process starts.

Fee Structure of Admissions under Institutional/Management quota

As per the notice published by Fees Regulating Authority (FRA) vide letter No. FRA/EST./1090/2022 dated 01/12/2022 as regards quantum of fee structure, we will be charging fees at 4 times the sanctioned fees for students admitted against Institutional quotas. The same has been declared on the website as well as the Director Medical Education and Research, Mumbai and Fees Regulating Authority have been informed of the same.

Admission taken in management seat will not be cancelled and no refund may be given

Rules regarding the payment of fees

1. Failure to pay the annual fees before the stipulated date shall invite penalty.
2. Students have to pay the mess fees at the beginning of each year.
3. The Caution Deposit will be refunded to the student without interest when he/she finally leaves the Institution after studies. Students are advised to preserve their Deposit Receipts carefully for cancellation against the refund of the deposit money.
4. Students will not be paid stipend during their houseposts. Stipends are payable in part II from the commencement of Part II based on the performance of the Junior Fellow examination specially conducted for considering the promotions.
5. Breakage and Losses shall be made good promptly on demand. Failure to meet the demand during the stipulated time shall invite a penalty.
6. Withdrawal from the course
 - a. Withdrawal after completing the process of admission and before the commencement of the course:

As per the schedule of competent authority

- b. Withdrawal from the college during the course:

Students are discouraged from discontinuing the course any time after the commencement of the same. However, if any student decides to withdraw voluntarily from the college at any time before completing the course, he/she shall communicate his / her decision to the management in writing along with a letter from his / her parents

in support of his / her decision. A student who fulfills these formalities and who is permitted to withdraw from the course is required to pay the course fee for the remainder of the course and Rs. 25,000.00 in penal fees to the college. The fees already paid by the student will not be refunded to him / her under any circumstances.

- c. If a student dies during the course of his / her studies, fees already paid will not be refunded to his / her Parents / Guardians. No penal fee or the course fee for the remainder of the course shall be collected from the Parents / Guardians of such a student.

SCHOLARSHIPS

1. Merit based scholarships are offered by the Tata Trust to deserving students of this Institute during MD (Hom) Part I and are continued subject to satisfactory performance. Announcement would be made when intimation is received from the Tata Trust office.
2. Scholarships to students from the minority communities (Parsi/Sikh/Buddhist/Muslim/Christian) whose income is below Rs. 2.50 lakhs per annum are offered by the Government of Maharashtra. The College forwards these applications to the authorities
3. Scholarship and freeship for SC and ST students whose income is below Rs. 6.00 lakhs per annum are offered by the Government of India.(Bharat Sarkar Shishyavruti)

DISCIPLINE AND DUTIES

1. The college reserves the right to discharge any student whose progress in studies or conduct is not found satisfactory during the period of training.
2. Every student is required to familiarize himself with the rules laid down in the 'Prospectus' and 'How to Study in MLD Memorial Organizations' and also those formulated and announced by the Management from time to time.
3. A number of committees have been constituted to govern the various activities of the college, hospital working, hostel and canteen which function under the guidance of teachers. Students are expected to participate actively to ensure smooth functioning of the campus.
4. Students should not absent themselves from classes, practicals, other academic and clinical activities and examinations without the previous permission of the Principal. Such absence without leave may lead to loss of a term.

5. Students are not permitted to attend classes other than their own without the special permission of teacher concerned.
6. Smoking and drinking of liquor is strictly prohibited in all parts of the hospital campus and hostel.
7. No Society, Union or Association of the student shall be formed in the College and no outsider invited to address a meeting without the Principal's specific permission.
8. In the College debates and other meetings, the Chair must be taken by a responsible person approved previously by the Principal and the subject of the debate must also have been approved previously by the Principal.
9. PG students are expected to volunteer themselves for Drug Proving. They should do so under the supervision of senior faculty members.
10. Students will be assigned to function as guide in the Clinical/SCR Meetings and Journal Clubs under the supervision of senior faculty members.
11. Students shall train themselves academically to be able to deliver lectures under the supervision of departmental heads. Students are expected to deliver lectures in their subjects at the Virar Homoeopathic Medical College as per the schedule. These may be in an online or offline mode.
12. It is imperative for a PG student to take active part in Medical camps even when organized on holidays/ in Research projects / in community health activities/college magazine and Annual Homoeopathic conference etc.
13. Students can be called any time of the day and night to attend cases, which require immediate medical care.
14. Students of the Institute are advised not to get married or undergo pregnancy during the course of study in the College. No special concessions or leaves will be granted to such student other than what is due to them or sanctioned by the statutory authorities. However, if any do get married, they will have to make their own arrangements for accommodation as there is no provision for accommodating married couples in the College Hostel.
15. Students are expected to behave with dignity and decorum and in conformity with the discipline of the Institution.
16. Students are required to dress decently and present themselves neat and tidy avoiding exaggerated fashions.
17. Students will refrain from disfiguring walls and furniture misbehavior unbecoming of members of the medical profession.

18. They will strive at all costs to preserve the Ethos of the Institution and promote its image and status by their behaviour and conduct.
19. Any breach of discipline shall be suitably dealt with by the Grievance and Complaints committee. Serious lapses of discipline and character shall render the student's name liable to be struck off the roll of the college. If, in the opinion of the Principal, a student is not likely to benefit by his continuing in the college or if his continuance is considered to be detrimental to the best interest of the Institutions, the Management may order such a student to leave the College. No fees paid by the students will be refunded. The Management's decision in this regard shall be final.
20. Strict adherence to the internet utilization policy is binding to all students. Any deviation will be viewed seriously and strict action taken.
21. Hostel has its rules and regulations which should be strictly adhered to.
22. In all matters, whether covered or not in the existing rules, the decision of the Management shall be final
23. The Management reserves the rights of making any addition to or omission from or alteration in the above rules and regulation including fee structure without prior of notice.
24. For all legal matter/disputes arising out of provisions of this prospectus the court of Jurisdiction will be that of Mumbai only.

WARNING ON RAGGING AND AFFIDAVIT

As per the letter from the Central Council of Homoeopathy dated 30.7.2014, it is informed that the Hon'ble Supreme Court has delivered a judgment on 8.5.2009 in Civil Appeal No. 887/2009 following which the University Grants Commission has notified "UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions 2009" on 17/6/2009 which are enforced. Ragging being a serious issue as such there is a need to change the mind set of students and parents for which it is imperative on the part of all of us to eradicate this evil completely. Prevention of ragging needs to emerge as a social awareness of programme in the Colleges for which periodically counselling of students and their parents is required. Therefore, it is requested to you to strictly follow the Anti Ragging Regulations made by UGC, and also public notices issued by UGC, concerned University and concerned State Govt. in the matter, if any need to be followed. Any case of Ragging must be promptly looked into as per said Regulations of UGC and appropriate action be taken against the erring persons with a report to UGC as well as to this Council. (the said regulation is put up on www.antiragging.in) we are requesting you to go through the website and fill the online information of parents and students and take printout of affidavit and submit to the college.

The Anti-Ragging Committee

Sr. No.	Member of Anti-Ragging Committee	Name	Designation
1	Dean / Principal	Dr. Bipin Jain	Principal

Character Certificate from the Principal of the undergraduate College on the College letterhead for fulfilling the CCH recommendation on precautions against ragging

This is to certify that Dr. _____ has been a student of this College for his BHMS studies from _____ to _____. During the period of his/her studentship, to the best of my knowledge, he/she has not exhibited persistent behavior of an aggressive nature which has or is likely to cause harm to others. He/She has not been involved in any ragging incident in this College.
